

The Southern Christmas Tree Association (SCTA) - Membership Application Form

The SCTA has three (3) levels of membership:

Regular grower dues are \$120.00 annually.

New growers, just starting out, may join the association for \$50 annually. New growers may pay the reduced dues amount for a maximum of 3 years or until they begin selling trees, whichever is first.

Growers in states other than Alabama, Louisiana and Mississippi may join for \$60 annually. These growers will be listed on the SCTA website under "Other States" and will be non-voting members of the association.

Please print this form and complete the following information (even if a renewal and you think I have all your current information). Mail the completed form with your payment payable to SCTA at 12263 Brookshire Avenue, Baton Rouge, Louisiana 70815. If you have questions regarding membership, please contact Michael Buchart, Executive Secretary, by e-mail (sctaes@gmail.com) or telephone (225.505.6335) or any officer or director.

If you do not have your own website, information noted with the symbol "●" will be posted on a dedicated SCTA web page. If you have your own website, information noted with the symbol "◆" will be posted as a state link to your website.

◆ Farm name: _____

● Owner(s): _____

● Farm physical address: _____

◆ Physical City / State / Zip Code: _____

Postal mail address (if different): _____

Postal mail City / State / Zip Code: _____

◆ Primary farm telephone (circle: farm, home, cell - his - hers) for website: _____

Other telephone 1, if different (circle: home, cell - his - hers), for SCTA staff use: _____
